

November 2014 rev 02

**Subject: REACH**

Dear Customer,

We have carefully assessed our commitments under Regulation (EC) 1907/2006 (REACH).

We would like to assure you that since our products are articles under REACH that do NOT intentionally release substances, the registration requirement is NOT applicable to the substances present in our products.

In case of enquiries please do not hesitate to contact us.

Sincerely,

Larisa Turkov,  
Quality Manager

Habonim Industrial Valves and Actuators
